HĪ'ILANI FITNESS CLASSES

Yoga, Flexibility, Balance & Sound

Deep Stretch & Foam Roller: This class concentrates on long deep stretching, utilizing foam rollers and Theragun percussive therapy for deep tissue release.

Healing Hatha Yoga: Focuses on deep therapeutic activation and stretching with targeted concentration on the hips, hamstrings, back and shoulders.

Restorative Yoga & Sound Healing: This class utilizes various props to support deep relaxation as various instruments are played to deepen vibrational healing for the mind and body. This practice will increase flexibility effortlessly while decreasing mental stress.

Slow Flow Yoga: Dive deep into a creative exploration of posture which balances physical challenge with quiet calm. You will focus the mind, calm the nervous system, and open the body.

Yoga Workshop Wednesday: This class is an opportunity to deep dive into a few commonly done, challenging, yet attainable yoga poses. Sequencing in this class is designed to help prepare the body for the pose and systematically work towards it.

Therapeutic Yoga: Focus on strengthening the deep muscle layers and increasing flexibility. This class includes core work & deep stretches, you will move with alignment and awareness.

Vinyasa Flow Yoga: An active integration of breath and movement that will invigorate the body with a fluid practice leading to a peak asana and floor series of asanas.

Yin Yoga: Postures held for a period of time targeting the connective tissue of the lower back, hips and hamstrings, this practice will open energy lines and assist in deep sleep.

Yin, Hatha, Restorative Yoga Fusion: Combining aspects of all three practices you will explore both standing and floor asanas as well as support restoration and deep relaxation.

Yin Yoga & Sound Healing: Yin Yoga combined with vibrational sound healing to evoke deeper relaxation into the pose. Yin Yoga works to open energy lines to the organs and channels of the body based on Chinese Medicine.

Yoga for Surfers: Learn to flow like the ocean, with balance, stability, strength and grace. Like the waves in the sea, find your power and calm within and be like water.

Core Stability

Barre: Achieve long and lean muscle tone with an effective total body workout focused on low impact movements that lift and tone muscles and improve strength, agility and flexibility.

Mat Pilates Reformed: Challenge your body in a whole new way with this Reformer-based mat Pilates class! Resistance Bands and Gliding Discs will be used to mimic Pilates Reformer exercises, increasing overall strength, stability, coordination, and mobility.

Pilates: This class will integrate the core principles to strengthen the midline and support the back while integrating isolation and flexibility techniques.

Spine, Strength & Mobility: Utilizes Pilates rings, resistance bands, light weights, and balls to access deep muscular work engaging the core while providing stability to strengthen the posterior chain.

Strength, Cardio & Agility

Boot Camp: A Full body workout integrating free weights, bosu/balance and cardiovascular exercises to create a balance workout with a warm up and cool down.

Cardio Pilates: This Core Strengthening class will integrate High Intensity Interval Training (think mountain climbers & jumping jacks) with abdominal toning exercises for the perfect combination of Cardio & Core. Amanda's diverse background in Dance, Pilates & Yoga will have you enjoying every rhythmic pulse of this sweat filled hour of fun on the fitness lanai.

Hammer Box Fitness: Explore strength training and body building with our outdoor fitness center circuit.

Full Body Strength Training: This workout is designed to increase confidence lifting heavier weights.

Lower Body Strength: Build a stronger base with a concentration on glutes, quads and calves with a class that will include core activation and various weights and circuit props.

Strength, Balance & Agility: A full-body workout incorporating equipment that improves body awareness, alignment and strength.

TRX & HIIT Interval Training: Utilizes suspension training with your body weight to develop strength and balance as well as flexibility and core stability combined with endurance challenges.

TRX Strength Training: Build strength by combining suspension trainers and dumbbells to master exercises using your bodyweight, free weights, and balance.

Upper Body Strength: Concentrate on strengthening the back, shoulders, biceps and triceps in a class that will include core activation and various weights and circuit props.

Water Wellness

Aqua Boot Camp: Keeps you moving! With a combo of fast-moving cardio & strength to give you a full body workout!

Aqua Cardio Tabata: Alternating intervals of high intensity cardio moves and strength building resistance using tubing, aqua dumbbells, noodles and more.

Aqua Fit: A cardio inspired water workout integrating strength and toning with resistance equipment.

Aqua Tabata: This class adapts the Tabata protocol to water fitness (20 seconds intense work/10 seconds rest for 8 total repetitions = one set of Tabata's).

Deep H2O: A fun and challenging full-body workout that has zero impact on the joints by using a floatation belt to keep the body suspended in the water. Challenge your cardiovascular, strength, and core muscles while staying cool in the water.

Stroke Swim Clinic: Tone and lengthen every muscle group in the body and gain mental clarity in the regular stroke clinic. This workout emphasizes breath work in the water to help focus the mind as well as sets and targeted drills to tone muscles, elevate heart rate and build endurance.

Seasonal Family Friendly Keiki Classes (Ages 8-16)

Family Friendly Foam Roller & Recovery: Utilizing foam rollers and Theragun percussive therapy for deep tissue release and deep stretching practices.
