☐ Preliminary Submittal ☐ Final Submittal Submittal Date:_____

Use this worksheet only if submitting product images and digital swatches in another format than the provided Product Submittal Packet. Identify the manufacturer, style, design, color, product number/name below, and proposed location. Label each material finish on the plans and elevations using the associated "ID #" below (e.g. leader "B-1"). Optionally, provide a legend on the plans and elevations identifying each material finish correlating to the product submittals.

Please be sure to include a product submittal packet that correlates to this worksheet as a single PDF to include digital swatches of proposed materials, colors, and all proposed exterior products (e.g. exterior light fixtures, garage door styles, doors/windows, hardscape/paving, coping, tiki torches, gravel, decorative stone, landscape features). Label items in the product submittal packet with the ID# below. Include specification and cut sheets for pre-manufactured items and equipment (e.g. doors/windows, all lighting, metal roofing, vents). Include light reflectance value (LRV) for exterior wall materials/colors and gloss rating for roofing. A sample wall is required to be constructed for final DRC approval of all proposed finishes, colors, and materials.
